

28th March 2025

It's been a beautiful week of sunshine, the children have certainly enjoyed being back on the school field.

What a busy few weeks, our **Come and Join ins** were a great success, thank you for all the positive feedback we received. The children loved you joining in with their lessons and I hear that the parents beat the children in their reaction times, well done parents!

Our Inspire morning was fantastic. We had many different professionals in school to share their careers with the children. We were playing games, dressing up as vets and of course cuddling the animals in school, thanks to **Debenham Vets**.

Learning the role of a **Civil Engineer** was fascinating. The planning and maths that is involved in this process was incredible. It was lovely to see the tools that are needed and experience the children's excitement when their bridges held the strength test. A very big 'Thank you' to Mr Harman.

The children were informed on the life of a **Mercedes F1 Social Media Manager**, I think most of the children and the staff were in awe of this career and many of the teachers have since said they are changing their careers!

Rachel, from **Softwood Publishers** was engaging the children in storytelling and how a story becomes a book. The morning was active and inspiring, we are looking forward to hosting another event like this soon.

Easter Service & Homework Showcase

We would like to invite you to attend our Easter service, which is on **Tuesday 1st April** at All Saints Church. Thorndon. Our wonderful FOTS will be serving teas and coffees from **2pm**. The service will start at **2.15pm** and end at approximately **3pm**.

We will be holding our Homework Showcase, in school, directly after the Easter Service.

We can't wait to see you there!
